

SERVING OTHERS  
Nature preservation (cont'd)

*Antigua Barbuda 1985*

*Central African Republic 1988,  
Burkina 1985,  
Madagascar 1999*

To observe birds and their habits. To listen and to identify their songs.

*Erytrea 1985*

In spite of the fleur-de-lis on this stamp, there was no Scout 140 million years ago to admire this long-tailed scaphognathus, a flying and carnivorous reptile.
